

## **Villas Outdoor Lights**

The optional Villas Outdoor Lights that were approved by the Villas Board in 2009 are no longer manufactured by Savoy House in platinum, however, are available in English Bronze. Due to the unavailability of the Platinum fixtures, the Board has approved the use of either the old color (if you can locate one) or the new color as listed below. Front and side facing fixtures on each unit must match in color.

### **Garage Lights, Deck or Front Porch: (two light fixture)**

Savoy House 5-492-208 Platinum (no longer available)

New replacement: Savoy House 5-492-13 English Bronze

(NOTE: You have the option of using this smaller light for your Porch Light.)

### **Porch Light: (three light fixture)**

Savoy House 5-493-208 Platinum (no longer available)

New replacement: Savoy House 5-493-13 English Bronze

(NOTE: These large lights are approved for the porch only.)

Please note neither of the Savoy House fixtures is available at Brose Electric. The English Bronze fixtures can be ordered through Ray Electric located at 25673 Meadowbrook Road in Novi. Their telephone number is (248) 449-4500. The fixtures are also available at a more competitive price through Amazon.

The cost for purchase and installation of the approved outdoor lights and timers are the responsibility of the Co-Owner.

NOTE: You do not need to submit a Variance Request for these approved outdoor lights.
